IMPORTANT—READ CAREFULLY: THIS END-USER LICENSE AGREEMENT ("EULA") IS A LEGAL AGREEMENT BETWEEN YOU ("YOU" AND "YOUR" INCLUDES A PERSON AND/OR AN INDIVIDUAL ENTITY) AND BLUEBEAM, INC., ITS SUBSIDIARIES, AFFILIATES AND LICENSEES (COLLECTIVELY "BLUEBEAM") CONCERNING BLUEBEAM REVU (HEREINAFTER REFERRED TO AS "SOFTWARE PRODUCT" OR "SOFTWARE). BY ACCESSING, INSTALLING, COPYING OR OTHERWISE USING ALL OR ANY PORTION OF THE SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA.

ALL INTELLECTUAL PROPERTY IN THIS SOFTWARE IS OWNED BY BLUEBEAM OR ITS SUPPLIERS. THE SOFTWARE IS LICENSED, NOT SOLD. BLUEBEAM PERMITS YOU TO USE OR OTHERWISE BENEFIT FROM THE INTELLECTUAL PROPERTY OF THE SOFTWARE ONLY IN ACCORDANCE WITH THE TERMS OF THIS EULA. THE SOFTWARE MAY INCLUDE PRODUCT AUTHORIZATION OR REGISTRATION TECHNOLOGY DESIGNED TO PREVENT UNAUTHORIZED USE AND COPYING. THIS TECHNOLOGY MAY CAUSE YOUR COMPUTER TO AUTOMATICALLY CONNECT TO THE INTERNET OR TO PROMPT YOU TO CONTACT BLUEBEAM AND MAY PREVENT USES OF THE SOFTWARE THAT ARE NOT PERMITTED. VISIT [HTTP:WWW.BLUEBEAM.COM/SUPPORT](http://www.bluebeam.com/support) FOR INFORMATION ABOUT INSTALLATION AND REGISTRATION.

1. Software License.

Subject to the payment of all applicable license fees and acceptance of the terms and conditions of this EULA, Bluebeam hereby grants to You a limited, non-sub licensable, non-exclusive, non-transferable right to use the Software in the manner and for the purposes described in the Documentation. The Documentation shall include, but not be limited to, any printed materials or electronic data provided by or obtained from Bluebeam with regard to this Software.

1.1 Allowed Number.

The Software may not be used individually or jointly in full or in part on more than the Allowed Number of Client Devices, unless otherwise set forth herein. Allowed Number means one (1) unless otherwise indicated under a valid license such as a volume license granted by Bluebeam. Use of

software, hardware or services that bypass any Software license restrictions and/or reduce the number of Client Devices, individual users and/or seats, as may be applicable, accessing or utilizing the Software (e.g., "multiplexing," "pooling," "virtualization" or third party add on software or hardware) expressly does not reduce the number of licenses required (i.e., the required number of licenses would equal the number of distinct inputs to the multiplexing or pooling software or hardware "front end"). If the number of Client Devices, users and/or seats that can potentially connect to the Software exceeds or has the potential to exceed the number of licenses You have obtained, then You must have a reasonable self-enforcing automatic mechanism in place to ensure that Your use of the Software does not exceed the Allowed Number specified for the license You have obtained.

1.2 Single User License.

A Single User License allows You to install and use one copy of the Software on up to the Allowed Number of computers for which the Software was designed ("Client Devices").

1.3 Server License.

If the Software is licensed with multi-user or server license terms, You may install the Allowed Number of copies of the Software on file servers within your internal network only for use of the Software initiated by an individual from a computer within the same internal network. The total number of computers that may connect, directly or indirectly, to the file server may not exceed the Allowed Number. A Server License for a multi-user environment does not permit You to install or use the Software: (i) from or to a computer not part of your internal network, (ii) for enabling web hosted services open to the public, (iii) where an individual or entity may use, download, access or otherwise benefit from the Software unless licensed to do so by Bluebeam, (iv) as a part of a system or service accessible by more than the Allowed Number of users, or (v) for operations not initiated by an individual user (e.g., automated server processing) unless specifically permitted to do so in writing by Bluebeam.

1.4 Concurrent User License ("Open License").

An Open License allows You to install and use the Software on up to the Recommended Number of computers for which the Software was designed ("Devices"), for the number of seats indicated on the license. Recommended Number means five (5) Devices for each Licensed User. For example, an Open License for 5 Seats allows five individuals to use the Software simultaneously on any of twenty-five (25) computers (Devices).

1.5 Enterprise License.

If You purchase an Enterprise License, a Multi-User License for multiple workstations, then this paragraph 1.5 (including subparts a through g) also applies to You.

a. **Allowed Number.** You may register and use one copy of the Software on up to the Allowed Number of workstations as indicated in the Enterprise License issued by BLUEBEAM.

- b. **Overage Allowance:** There is a 5% overage allowance above the Allowed Number to accommodate for the lag time between reimaged, crashed, or otherwise decommissioned workstations being unregistered and new workstations being registered. If You exceed the 5% overage allowance, any new workstations will not be able to register Revu.
- c. **Revocation:** If You exceed the Allowed Number (plus the 5% overage), Bluebeam reserves the right to revoke the registration for the excess seats.
- d. **Releasing Process:** The Enterprise license server will monitor all authorized workstations daily and release any workstations that have been inactive for 15 days.
- e. **Bluebeam Gateway:** You will be granted access to the Bluebeam Gateway to manage your workstations. Access to and usage of such information is subject to the Site's Terms of Use.
- f. **Annual Fee:** The annual fee for the Enterprise License must be paid upfront and upon renewal. If the fee is not paid timely, Bluebeam reserves the right to revoke Your Enterprise License. The Enterprise License requires Annual Maintenance to be purchased. Annual subscription fees are non-transferable and can only be refundable within 30 days of payment, beyond which all fees are non-refundable.

1.6 Restrictions on Use.

Even though copies of the Software may be provided on media of different formats, copies of the Software on different media formats do not constitute multiple licenses to the Software. If the Software is licensed as a suite or bundle with more than one specified Software product, this license applies to all such specified Software products, subject to any restrictions or usage terms specified on the applicable product packaging that applies to any of such Software products individually.

1.7 Backup Copy.

This license authorizes You to make a reasonable number of copies of the Software provided your backup copies are used solely for archival purposes, and the copies You make contain all of the proprietary notices set forth in or on the original version of the Software.

2. Seat Pricing.

All new or incremental purchases of Bluebeam products, software and solutions are sold as priced at the time of purchase, not at prices previously paid or advertised..

3. Updates.

Bluebeam may, at its sole discretion, make bug fixes, updates and/or service packs available.

4. Annual Maintenance.

If You purchase Annual Maintenance, then the terms in this paragraph apply to You in addition to the other terms of this EULA. If you have active Annual Maintenance when Bluebeam releases a

new major version of Revu, Bluebeam will notify You and the license keys may be upgraded free of charge. You will also receive premium phone and email support from Bluebeam's experienced technical services staff during the term of Your active Annual Maintenance.

4.1 Annual Fee.

Annual Maintenance has an Annual Fee which is non-transferable and can only be refunded within 30 days of payment, beyond which all fees are non-refundable. For renewals, the Annual Fee must be paid by the Renewal Date (one year anniversary of purchase) or Bluebeam shall have the right to cancel Your Annual Maintenance. All new seat purchases for Annual Maintenance will be priced at BLUEBEAM'S MSRP at the time of purchase, not the original price paid.

5. Upgrades.

If upgrading from a previous version, You must possess a valid license for a prior version in order to upgrade to the now current version. Any obligation Bluebeam may have to support the previous version(s) may end with the availability of the upgrade or update.

5.1 Single User and Server License Upgrades.

Single User or Server Licenses that have been upgraded from an earlier version will be issued equal to the Allowed Number of Client Devices of the prior License. Once upgraded, the prior license will no longer be valid and use of the prior license is no longer permitted.

5.2 Concurrent User

License ("Open License") Upgrades. Open Licenses that have been upgraded from an earlier Software version will be issued equal to the number of Users of the then prior Open License. The Software may be used on the Recommended Number of Devices, across software versions, for the number of individual Users specified on the current License.

6. Ownership Rights.

All right, title and interest in and to all copyrights, patents, trade secret rights, trademarks and other intellectual property rights in and to the Software and Documentation, are owned by Bluebeam and_or its suppliers. The Software and Documentation are protected by patent, copyright and_or other intellectual property laws of the United States and other countries, and by international treaty provisions. Except as expressly set forth herein, Your possession, use or installation of the Software does not grant to you any intellectual property rights in the Software and all rights, title, and interest not expressly granted are reserved by Bluebeam and its suppliers. You agree that all backup, archival, or any other type of copies of the Software and Documentation will contain the same proprietary notices that appear on and in the Software and Documentation. Bluebeam's suppliers, if any, of the Software or Documentation or any portions thereof are intended third party beneficiaries of this EULA and are entitled to enforce the terms of this EULA in their own names directly against You.

6.1 Submissions.

Should You decide to submit any materials (“Submissions”) to Bluebeam via electronic mail, through or to Bluebeam website(s), or otherwise (whether as feedback, data, questions, comments, ideas, concepts, techniques, suggestions or the like) that are specifically related to the functionality of the Software or services provided by Bluebeam related to the Software, You agree that such Submissions are unrestricted and shall be deemed non-confidential upon submission. You grant to Bluebeam and its assigns a non-exclusive, royalty-free, worldwide, perpetual, irrevocable license, with the right to sublicense, to use, copy, transmit, distribute, create derivative works of, commercialize, display and perform such Submissions. Submissions do not include any of Your content that You may create or use that happens to utilize the Software.

7. Restrictions.

7.1 No Transfer.

You may not rent, lease, sublicense, loan, commercialize or resell the Software. You may not permit any parent, affiliate, subsidiary or any other third parties to benefit from the use or functionality of the Software, under any of the following circumstances, unless You own more than fifty percent (50%) of that entity. As such, You may not a) permit another entity to benefit from the Software via a facility management, timesharing, service bureau or any other arrangement; b) provide access to the Software Product with the intention to process the data of another entity; or c) use the Software on hardware that is not under Your exclusive control. You may not transfer any or all of the rights granted to You under this EULA.

7.2 No Reverse Engineering.

You may not reverse engineer, decompile, or disassemble the Software, or otherwise attempt to derive source code from the Software, or create derivative works based upon, the Software in whole or in part, except to the extent the foregoing restriction is expressly prohibited by applicable law.

7.3 No Duplication.

You may not duplicate or copy any portion of the Software or Documentation, unless otherwise set forth herein. You may not remove any proprietary notices or labels on the Software. All rights not expressly set forth hereunder are reserved by Bluebeam.

8. Right to Audit.

Bluebeam reserves the right to periodically conduct audits of Software installation records upon a thirty (30) day advance written notice to verify compliance with the terms of this EULA. Audits will be conducted during business hours and will occur no more than once in any 12 month period.

9. LIMITED WARRANTY.

Bluebeam warrants that the Software will perform substantially in accordance with the Documentation for ninety (90) days from the date of the original purchase when used on the recommended operating system and hardware configuration. Non-substantial variation of performance from the Documentation does not establish a warranty right. In addition, Bluebeam

warrants that the media on which the Software is contained will be free from defects in materials and workmanship. All warranty claims must be made, along with proof of purchase, to Bluebeam Customer Service at (support@bluebeam.com) within the ninety (90) day warranty period. If the Software does not perform substantially in accordance with the Documentation, the entire liability of Bluebeam and its affiliates and your exclusive remedy will be limited to either, at your option, replacement of the Software or a refund of the license fee paid for the Software.

9.1 Authorized Resellers.

Any authorized Bluebeam reseller, installer or consultant is not affiliated with Bluebeam in any capacity other than as a distributor, installer or consultant of Bluebeam's products and has no authority to bind Bluebeam or modify any license or warranty. Bluebeam makes no representations, warranty, endorsement or guarantee with respect to the skills or qualifications of any authorized Bluebeam reseller, installer or consultant and You are encouraged to independently investigate the skills and qualifications of any authorized Bluebeam reseller, installer or consultant with whom You associate.

10. DISCLAIMER.

To the maximum extent permitted by applicable law, and except for the Limited Warranty set forth herein, THE SOFTWARE (AND ACCOMPANYING DOCUMENTATION) IS PROVIDED ON AN "AS IS" BASIS WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WHETHER BY STATUTE, COMMON LAW, USAGE, INDUSTRY CUSTOM, OR OTHERWISE AS TO ANY MATTER, INCLUDING BUT NOT LIMITED TO PERFORMANCE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS, INTEGRATION, CONDITIONS OF MERCHANTABILITY, TITLE, QUIET ENJOYMENT, QUIET POSSESSION, SECURITY, QUALITY OR WORKMANSHIP, FITNESS FOR A PARTICULAR PURPOSE, OR A LACK OF VIRUSES. SOME STATES AND JURISDICTIONS DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTIES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. THE FOREGOING PROVISIONS SHALL BE ENFORCEABLE TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

11. INDEMNIFICATION.

You agree to defend, indemnify and hold harmless Bluebeam and its directors, officers, employees, affiliates, sublicensees, resellers, agents and suppliers from and against all claims, defense costs (including reasonable expert and attorneys' fees), judgments and other expenses arising out of or on account of any negligent act, omission, or willful misconduct by You or on Your behalf in the performance of this EULA.

12. LIMITATION OF LIABILITY.

UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY, WHETHER IN TORT, CONTRACT, OR OTHERWISE, SHALL BLUEBEAM OR ITS SUPPLIERS BE LIABLE TO YOU OR TO ANY OTHER PERSON OR ENTITY FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, LOSS OF GOODWILL, LOSS OF CONFIDENTIAL OR OTHER INFORMATION, FOR BUSINESS INTERRUPTION, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, FOR PERSONAL INJURY,

LOSS OF PRIVACY, FOR FAILURE TO MEET ANY DUTY INCLUDING A DUTY OF GOOD FAITH OR OF REASONABLE CARE, FOR NEGLIGENCE, AND FOR ANY OTHER PECUNIARY OR OTHER LOSS WHATSOEVER) ARISING OUT OF OR IN ANY WAY RELATED TO THE USE OR INABILITY TO USE THE SOFTWARE PRODUCTS, OR OTHERWISE UNDER OR IN CONNECTION WITH ANY PROVISION OF THIS EULA, EVEN IN THE EVENT OF FAULT, NEGLIGENCE, BREACH OF CONTRACT, OR BREACH OF WARRANTY BY BLUEBEAM, ITS RESELLERS OR ITS SUPPLIERS, AND EVEN IF BLUEBEAM OR ITS SUPPLIERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL BLUEBEAM, ITS RESELLERS OR ITS SUPPLIERS BE LIABLE FOR ANY DAMAGES IN EXCESS OF THE AMOUNT PAID FOR THE SOFTWARE, IF ANY.

13. United States Government.

The Software and accompanying Documentation are deemed to be "commercial computer software" and "commercial computer software documentation," respectively, pursuant to DFAR Section 227.7202 and FAR Section 12.212, as applicable. Any use, modification, reproduction, release, performance, display or disclosure of the Software and accompanying Documentation by the United States Government shall be governed solely by the terms of this Agreement and shall be prohibited except to the extent expressly permitted by the terms of this Agreement.

14. Export Controls.

During the term of this license, neither the Software nor the Documentation and underlying information or technology may be downloaded, exported, or re-exported (i) into (or to a national or resident of) Cuba, Iran, North Korea (Democratic People's Republic of Korea), Sudan, Syria, or any other country to which the United States has embargoed goods or (ii) to anyone on the United States Treasury Department's list of Specially Designated Nations or the United States Commerce Department's Table of Denial Orders. By accessing, downloading or using the Software You are agreeing to the foregoing and You are certifying that You are not located in, under the control of, or a national or resident of any such country or on any such list.

YOU SHOULD ALSO BE AWARE OF THE FOLLOWING. EXPORT OF THE SOFTWARE MAY BE SUBJECT TO COMPLIANCE WITH THE RULES AND REGULATIONS PROMULGATED FROM TIME TO TIME BY THE BUREAU OF EXPORT ADMINISTRATION, UNITED STATES DEPARTMENT OF COMMERCE, WHICH RESTRICT THE EXPORT AND RE-EXPORT OF CERTAIN PRODUCTS AND TECHNICAL DATA. IF THE EXPORT OF THE SOFTWARE IS CONTROLLED UNDER SUCH RULES AND REGULATIONS, THEN THE SOFTWARE SHALL NOT BE EXPORTED OR RE-EXPORTED, DIRECTLY OR INDIRECTLY, (A) WITHOUT ALL EXPORT OR RE-EXPORT LICENSES AND UNITED STATES OR OTHER GOVERNMENTAL APPROVALS REQUIRED BY ANY APPLICABLE LAWS, OR (B) IN VIOLATION OF ANY APPLICABLE PROHIBITION AGAINST THE EXPORT OR RE-EXPORT OF ANY PART OF THE SOFTWARE. SOME COUNTRIES HAVE RESTRICTIONS ON THE USE OF ENCRYPTION WITHIN THEIR BORDERS, OR THE IMPORT OR EXPORT OF ENCRYPTION EVEN IF FOR ONLY TEMPORARY PERSONAL OR BUSINESS USE. YOU ACKNOWLEDGE IT IS YOUR RESPONSIBILITY TO COMPLY WITH ANY AND ALL GOVERNMENT IMPORT, EXPORT AND OTHER APPLICABLE LAWS.

15. Attorneys' Fees.

If any party employs attorneys to enforce any rights arising out of or relating to this EULA, the prevailing party shall be entitled to recover its reasonable attorneys' fees, costs, and other expenses. The term "prevailing party" means that party, as plaintiff or defendant, who substantially prevails against the other party. Notwithstanding the foregoing, if a written offer of compromise made by either party is not accepted by the other party within thirty (30) days after receipt and the party not accepting such offer fails to obtain a more favorable judgment, the non-accepting party shall not be entitled to recover its costs of suit and reasonable attorney's fees and costs (even if it is the prevailing party) and shall be obligated to pay the costs of suit and reasonable attorney's fees and costs incurred by the offering party.

16. Severability.

If any provision of this license is held to be unenforceable, the enforceability of the remaining provisions shall in no way be affected or impaired thereby.

17. Governing Law and Arbitration.

This EULA is governed by the laws of the United States and the State of California, without reference to conflicts of law principles. The application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded. Any controversy or claim, whether in law or in equity, arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration in Los Angeles County administered by JAMS in accordance with its Streamlined Arbitration Rules & Procedures, and judgment on the award rendered by the arbitrator(s) is final and not appealable and may be entered in any court having jurisdiction thereof.

18. Term.

This agreement is valid for one year beginning on the date that you are provided the License Key. This agreement shall automatically renew for additional one (1) year terms, unless either party provides written notice to the other of its intent to terminate this agreement not less than thirty (30) days before the end of the then current term.

19. Notices.

All notices or requests by the parties required by this Agreement shall be in writing and hand delivered, delivered by email to the primary contact listed on the License, delivered by a major commercial overnight courier service with tracking capabilities, or mailed by certified mail, return receipt requested, postage prepaid to a party at the address listed on the License. Notice shall be effective only upon receipt by the party being served, except notice shall be deemed received five (5) days after deposit in the mails, by the method described above. Notice by email is effective immediately after it is sent or upon the starting business hours of the receiving party if notification is sent outside of business hours. Notice to Licensee shall be addressed to the individual listed on the Bluebeam License Certificate. Notice to Bluebeam shall be addressed to Operations, 55 South Lake Ave., Suite 900, Pasadena, CA, 91101, U.S.A. or to sales@bluebeam.com.

20. Entire Agreement.

This EULA sets forth all rights for the user of the Software and is the entire agreement between the parties. This EULA supersedes any other communications with respect to the Software and Documentation. This EULA may not be modified except by a written addendum issued by a duly authorized representative of Bluebeam. This EULA expressly supersedes and completely replaces any and all prior end user license agreements. Bluebeam shall not be bound by or liable to You for any pre-existing or contemporaneous written or oral representations or warranties, made by any third party, with respect to the Software, including any authorized distributor or reseller or their respective agents, employees, or representatives, nor shall You be deemed a third party beneficiary of any obligations of Bluebeam to any such distributor or reseller.

21. General Provisions.

No provision hereof shall be deemed waived unless such waiver shall be in writing and signed by Bluebeam or a duly authorized representative of Bluebeam. You hereby acknowledge a breach of this EULA would cause irreparable harm and significant injury to Bluebeam that may be difficult to ascertain and that a remedy at law would be inadequate. You agree that Bluebeam shall have the right to seek and obtain, without the posting of a bond, immediate injunctive relief to enforce the obligations under this EULA in addition to any other rights and remedies it may have. If any provision of this EULA is held invalid, the remainder of this EULA shall continue in full force and effect. If You have received a translation into a language other than English, it has been provided for Your convenience only.

22. Other Provisions.

22.1 Pre-release Software. Pre-commercial release or beta software does not represent the final commercial product from Bluebeam, and may contain bugs, errors, inconsistencies or other problems that might cause system or other failures or data loss. If you accept the receipt of pre-release Software pursuant to a separate agreement with Bluebeam, Your use of the Software is also governed by such agreement. You agree to hold Bluebeam harmless from any and all liabilities, losses, actions, damages, or claims arising out of or relating to the use of, or the reliance on, any digital certificate or service of a certificate authority.

22.5 Usage Data Collection

You agree that Bluebeam may collect and use anonymous information from your use of the Software. This may include, but is not limited to information about your device information, error reports, feature usage, and date and time of access.
